PURPOSE

The Christies Beach High School uniform policy aims to:

- support students to develop a sense of identity and pride with our school
- assist in the provision of a safe school environment
- reduce costs and competition associated with alternative clothing
- assist with safety and care of students through easy identification both within school grounds and whilst participating in excursions, field trips, camps, sporting events and other events where the school is represented.
- provide cost effective, durable clothing.

ADDITIONAL INFORMATION
